Iohañ Matthias Steidlin sc. A.V.

Die Augustiner Kirche zu Regensburg.

Origo Eccleſiæ Ratisbonenſis 1255.

VIvificum Myſtes defert dum Corpus ad ægrum ;
Labitur infelix, Hoſtia tangit Humum ;
Hoc ſimul ac cernunt, Clerus cum civibus adſunt,
Sordibus è terræ Dona tremenda levant.
Hic altare locant, properant reverenter ad aras,
Numina Diva colunt, thura precésque litant.
Ligna parant cives, memores pietatis avitæ,
Sol ubi ter rediit, ſtructa Capella fuit.
Iſthanc Albertus conſecrat Epiſcopus Vrbis,
Nunc Auguſtini, quam ſacer Ordo colit.
Id fit, cùm Titan voluiſſet mille ducentos
Orbes ; dein luſtro iungito luſtra decem.

Meminêre originis huius Eccleſiæ Aventinus in annal. Boicis. Andreas presbyter in Chronico Bavariæ. Hundius in Metropoli Salisburgenſi. Brunerus in annalibus Bavaricis. Ex Auguſtinianis verò Milenſius, Cruſenius aliíque, quorum tres ultimi manifeſtam Angelorum apparitionem affirmant. Extat aulæum perantiquum opere textorio repræſentans totam hiſtoriam hujus rei.

Contigit anno 1257.

ADdubitat Myſtes, peragens Divina, Sacrato
Num Calici ſubſit, Sanguine, Carne Deus ?
Eximat ut Scrupulum dubitanti, tendit Imago
E cruce pendentis Numinis inde manum.
Jámque levaturo Myſteria ſanguinis auffert,
Quæ dubio fuerant fabula viſa viro.
Quid miſer attonitus faciat ? discedit ab Ara.
Et mentis pandens eluit ore ſcelus.
Dum redit, ablatum calicem pia reddit imago,
Poſt firmâ is finit ſacra tremenda fide.
Felix qui tali fit credulus arte Magiſtri,
Atque novo diſcit Thavmate Thavma vetus.

Memoria huius prodigij annotata erat ad ſuppedaneum Crucifixi hisce germanicis antiquis caracteribus : **Einsmahls da verzweifflet ein Prieſter am H. Sacrament / da er den Kölch auffhub / namb ihm das Crucifix den Kölch.** Milenſius in Alphabeto pag. 253. Cruſenius in Monachismo fol. 134. Brunerus L. cit.

Utrumque miraculum vivis coloribus in ampliſſimis chori feneſtris opere ſmaltico ſeu ex liquati, coloratíque metalli pigmento erat expreſſum.

Litteræ primæ Figuræ exhibent inſcriptionem quamdam ſupra portam majorem Eccleſiæ, arcuatim inciſam, quæ meritò inter primas & publicas in germanico idiomate cenſeri debet, cujus verba ita ſonant: ✠ Das iſt Hern Dipoldes des Chratzás / Andrá de porta, Leopold Igl Statt: und Chriſtein ſein Haußfrowe/ Hern Fridercich des alten Grávenreutárs Tohter. Latinè: *Hoc eſt opus Domini Theobaldi Krazer, Andreæ de porta, Leopoldi Igl Vrbis &c. Et Chriſtinæ ejusdem uxoris, filiæ Friderici ſenioris Grævenreuter.* Fuiſſe ſtructuræ hujus, vel Ædiles, vel Benefactores, ipſa ſcriptura ſatis indicat.

Altera Inſcriptio Epitaphium repræſentat B. Friderici: anno *MCCCXXIX. Obiit Fr. Fridricus Laicus devotus in die S. Andreæ.* Nempe 30. Novembris 1329.

Tertia Lapidi ſepulchrali incisa præter figuram Epiſcopi hæc verba exhibet: ✠ *Anno Domini MCCCLXXI. in craſtina Aſſumptionis Mariæ obiit Dominus Nicolaus Epiſcopus Caſtrienſis, nec non ſuffraganeus Ratisbonenſis, Fratrum Heremitarum Ordinis S. Auguſtini.* Nempe die 16. Auguſti Anno 1371.

LITTERAS PRÆFATAS IN
hunc modum legendas esse videtur.

FRater Anselmus Ordinis Domus Teutonicæ, Dei Gratia Warmgensis Episcopus in Prusia. Universis Christi Fidelibus, ad quos præsens scriptum pervenerit, salutem in Domino sempiternam. Quoniam ut ait Apostolus, omnes stabimus ante tribunal Christi, reddituri singuli rationem, prout in Corpore gessimus, sive fuerit bonum, sive malum, oportet nos diem extremæ Messionis bonis operibus prævenire. Cùm igitur Venerabiles & in Christo dilecti Fratres de Schoneltal ordinis sancti Wilhelmi Monasterium novum construere jam inceperint, in quo DEO serviatur dignè & laudabiliter, & ad consummandum ipsum opus, propriæ non sufficiant facultates, nisi fidelium Elemosynis subleventur, Universitatem vestram hortamur in Domino & monemus quatenùs Eisdem Elemosynam vestram largiamini, ut vestro adjutorio prædictum opus valeat consummari. Nos autem de Omnipotentis confisi misericordia omnibus illis confessis & contritis, qui prædicto loco Elemosynas suas devotè contulerint, 40. dies Criminalium & annum venialium de injuncta sibi pœnitentia misericorditer relaxamus. Præsentibus post consummationem operis prædicti minimè valituris. Datum Pragæ 7. Calendas Octobris Anno Domini 1261.
